ABOUT THE INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality and standard of day care. When making judgements, inspectors have regard to how well the provider meets the National Standards for under Eights Day Care and Childminding. A list of these is attached. The report identifies strengths and areas for improvement.

This inspection report must be made available to all parents.

Information about the setting

Wildern Opportunity Group has been registered since 1988 and opened in 2000 in the new 2000 Centre premises. It is a committee run group and provides sessional day care. The Group operates from the Hedge End 2000 Centre and serves the local community.

There are currently 26 children on roll. This includes 8 funded 3 year olds and 5 funded 4 year olds. Children attend for a variety of sessions. The pre school sessions are held on a Monday, Tuesday and Thursday each week. The Wednesday and Friday sessions are provided for parents and children aged 0 - 5 years to attend by referral only. The setting currently supports children with special needs. Nine staff and four volunteers work with the children on a regular basis. Four staff have Early Years qualifications to NVQ level 3 and five staff are currently on training courses.. The Group opens 5 days a week during school term times. Sessions are from 09:30 - 12:00. Monday - Friday. The setting receives support from the local Cluster group.

How good is the Day Care?

Wildern Opportunity Group provides good quality care for children.

The staff are committed to improving their practice by accessing further training. All staff work well together. The whole team are fully involved in the daily plans to provide interesting and varied play opportunities to meet the needs of children of all ages and abilities. Some items of documentation need to be updated. The staff team provide a warm and welcoming environment for parents and children. There is plenty of free space in which the children can play and explore. Staff ensure that each child is able to fully access all play activities. Staff give high priority to ensuring that children are safe both in and out of doors. There are good health and hygiene procedures in place. Positive behaviour patterns are encouraged. Staff know the children well and they have good relationships with parents. All aspects of each child's care, progress, dietary requirements and individual needs are discussed fully with parents.

What has improved since the last inspection?

Not applicable

What is being done well?

- Wildern Opportunity Group is warm and very welcoming to both children and parents. Staff have clear routines that help children to feel secure and at ease.
- The staff team work well together to meet the children's needs. The careful planning, use of toys and equipment, ensure that children have interesting and enjoyable play experiences.
- The staff have a good understanding of behaviour management strategies. Children are taught good manners and staff show respect to the children and they show respect to each other. The staff spend a lot of time praising and encouraging the children. This builds upon their confidence and self esteem.
- Children are involved in celebrating a variety of cultural festivals and events. This increases the children's knowledge, awareness and understanding of the wider world.
- The staff work closely with a number of professional agencies to provide expertise and support for the children in their care.
- Parents feel able to speak to staff about their child's individual needs. They receive plenty of information through the parent notice board and sharing of information through children's Individual Records and regular discussions with staff. Parents and carers are welcome to help in the Group.

An aspect of outstanding practice:

Standard 10 The daily exchange of information through contact with the parents; both in the pre school group; parent and child group sessions; home visits and inter agency working; provides parents and staff with information that has a significant effect on each child's care, wellbeing and development.
